# 15L Recycled Professional Bucket & Wringer

# Robert Scott's popular and heavy-duty Professional bucket is now made with 97% recycled plastic.

A sturdy eco bucket made from 97% recycled plastic with a high profile clip on wringer to reduce spillage. Designed for larger socket mops, the bucket is printed with 'Caution wet floor' on two sides and graduation marks.

The recycled version is available in blue, green, red and yellow. All feature a matching colour coded bucket and wringer with a black handle.
