3-piece handle

The new 3-Piece Handle for Robert Scott mops and other cleaning products is perfect for fulfilling online orders.

New from Robert Scott is a versatile 3-Piece Cleaning Handle that connects to create a 137cm handle, and fits a variety of products including screw thread and Exel push-fit socket mops, brooms and squeegees.

A portable handle for on-the-move cleaners who want to carry the minimum of products. It's ideal for working where space is a premium such as public transport, and small enough to fit into a bag or put in the post. The compact design reduces the risk of being damaged during transit.

Key features & benefits

Light-weight

Easy post

Multi-purpose

Colour coded

- Lightweight, sturdy and versatile handle that fits a wide range of screw thread and push fittings.
- Secure slot fittings with reinforcement rings to prevent bending.
- Ergonomic end cap fits perfectly into the palm.
- Colour coded end caps available separately.

What's included

The 3-Piece aluminium handle is available in case quantities of 10x1. It comes with a neutral, grey end cap, we also offer the option of four hygiene coloured cap accessories (sold separately).

User instructions

To assemble simply push-fit sections together and attach your chosen cleaning accessory.
