Small garment laundry bag

Reduce the use of polythene bags

Washable bag designed to reduce single use polythene bags.

Size: H560 x 420 x D220mm.

Made from robust 140gsm polyester.

Large enough to hold 10-12 garments but easy to handle.

Protective top flap keeps garments secure and tidy - bag is easily secured using simple but effective packing.

Clear external document pocket.

Bags come with corner eyelets and are easily attached to the twin trolley to allow quick and effective packing

104216 - supplied in cases of 50.

Key features & benefits
